

Editorial features 2019

Southern Asian Wireless Communications welcomes your contributions.

Overleaf, you can see the feature topics we're aiming to cover in 2019 & encourage you to get in touch to find out more about how you can get involved. We also encourage you to contribute to our regular sections as shown below.

Please contact the publisher kathym@kadiumpublishing.com for further information.

NEW FOR 2019! The IoT link

A focus on some of the latest IoT news & developments across South Asia.

News review

Including regional reports & developments, technology updates, deployment news, etc.

Wireless business

Financial reports, corporate performance, M&A activity, personnel moves & investment news.

Wireless solutions

New products & services to help build better wireless networks.

World news

A roundup of key wireless developments from across the world.

Wireless users

Featuring your customer success stories & case studies.

Your views & thought leadership articles

We welcome guest columnists, opinion articles & technical features from industry experts. Some of the topics we'd like to hear about in 2019 include:

- ✦ How do VNF & SDN impact wireless operators & should they really care?
- ✦ How important are Gigabit Ethernet platforms for wireless service providers?
- ✦ The importance of fibre in wireless networks
- ✦ Will ubiquitous remote & rural connectivity ever be achieved?
- ✦ OTT – friend or foe of the mobile operator?
- ✦ Is OSS/BSS just another managed service best left to the big name vendors?
- ✦ Building indoor networks

Important note for contributors:

All features and publication dates are subject to change, cancellation or alteration without notice. Kadium Limited welcomes editorial contributions but cannot be held liable for any losses or damage caused by the non-publication of material. All articles for publication are accepted in good faith and authors must be able to verify that such submissions are previously unpublished and represent their own original work which is not subject to local or worldwide copyright or legal restrictions. All articles for publication are subject to editing and alteration as per the needs of the publisher. Upon publication, ownership and all worldwide rights of commissioned features transfer to Kadium Limited and cannot be reproduced in any print or electronic format, or stored in an archive retrieval system, without prior written consent.
